*Song of the Animal World*

The fish goes . . . Hip  
The bird goes . . . Viss!  
The monkey goes . . . Gnan!

I start to the left,  
I twist to the right,  
I am the fish  
That slips through the water,  
That slides,  
That twists,  
That leaps!

Everything lives,  
Everything dances,  
Everything sings:  
The fish goes . . . Hip!  
The bird goes . . . Viss!  
The monkey goes . . . Gnan!

The bird flies away,  
Flies, flies, flies,  
Goes, returns, passes,  
Climbs, floats, swoops.  
I am the bird!

Everything lives,  
Everything dances,  
Everything sings:  
The fish goes . . . Hip!  
The bird goes . . . Viss!  
The monkey goes . . . Gnan!

The monkey! From branch to branch  
Runs, hops, jumps,  
With his wife and baby,  
Mouth stuffed full, tail in air,  
Here's the monkey! Here's the  
Monkey!

Everything lives,  
Everything dances,  
Everything sings:  
The fish goes . . . Hip!  
The bird goes . . . Viss!  
The monkey goes . . . Gnan!
