

Choral Speaking : Non-Open

Secondary 2 : Boys

Please be reminded that for Non-Open classes, you have to choose U, E, K or Y according to your district.

Heavy Metal, Stormy Weather

Flash, crash, rock and roll,
This week's weather's been out of control,
For storming up the charts together
Have been heavy metal and stormy weather!

For drip-dropping in on Monday we had:

'Wet Playtime and the Raincoats'.
Drip-drop de bop-hop, drip-drop de bop-hop,
Drip-drop de bop-hop, drip-dee-drop!

Freeze-breezing upon us on Tuesday we had:

'Strong Gale and the Hailstones'.
Freeze-breeze de sneeze, Freeze-breeze de sneeze
Freeze-breeze de sneeze – aatchoo!

Clog-fogging around us on Wednesday we had:

'Overcast and the Mistmakers'.
Thump-bump de bump-thump, thump-bump de bump-thump,
Thump-bump de bump-thump, thump-dee-bump!

Snow-blowing down on us on Thursday we had:

'Sludge-Budge and the Wet Wellies'.
Snow-blow de blow-go, snow-blow de blow-go,
Snow-blow de blow-go, snow-dee-blow!

And boom-banging above us on Friday we had:

'Rumble-Grumble and the Thunderbolts'.
Boom-bang de bang-boom, boom-bang de bang-boom,
Boom-bang de bang-boom, boom-dee-bang!

But next week we're hoping for a new number one.
Yes, 'Blue Skies and the HOT, HOT SUN'!

Ian Souter
